Throughout our almost 5-year association with Sam Trejo and/or Xcentech Computers, LLC, we have always been very satisfied with the professionalism, unsurpassed computer knowledge, and willingness to help no matter what the challenge.

What you get with Xcentech is exactly what you expect – expert technical support. And the detail in their invoicing leaves no question as to exactly what was done and what was charged.

We highly recommend Sam Trejo/Xcentech for your computer needs, no matter how complex or simple.
